Subject: BOARD MATTERS for January 13, 2015

=====

For your consideration, I submit the following Board Matters accompanied by a brief explanation. Your support will be appreciated.

**1. Mount Vernon Council Resolutions on the Richmond Highway Multimodal Transit Study**

## **1. Mount Vernon Council Resolutions on the Richmond Highway Multimodal Transit Study**

### ***Background***

In November and December, the Mount Vernon Council of Citizens' Association (MVCCA) passed a resolution providing guidance to Fairfax County and our State Delegation on their preference for the next steps to obtain funding for the widening of Richmond Highway and the implementation of the Multimodal Transit Study. In the resolution, the MVCCA endorses the hybrid option, urges the extension of Metro sooner than the study's previous recommendation and encourages the use of grants and other funding, like the 6-year plan, to acquire right of way and commence construction. I have included their resolution with this Board Matter.

### ***Proposed Action***

Therefore, Madam Chairman, I ask, with unanimous consent, that the Board of Supervisors share the resolution with our Fairfax County Department of Transportation for their information and review.
